ALMA MATER SONG

Foursquare her towers rise,
Arx Alma Fair!
Wide-spread her beauty lies,
Arx Alma rare!
Sheltered beneath her walls
She keeps her own
Children of Liberty;
We call her Home.

Ever her care shall be
To keep us true,
Upright, aspiring,
With fervor due;
Crowning our visions all
Skyward doth gleam
Our shining citadel
Strong and serene.

All down the years to come,
Reverent we'll be!
Turning our hearts and steps
Homeward to thee;
And though our westward ways
May lead us far,
We'll keep Arx Alma pure,
Our guiding star.

DEDICATION

TO MISS OLA C. WALT,
UNTIRING SPONSOR OF
THE JUNE 1934 GRAD-
UATING CLASS OF READ-
ING SENIOR HIGH
SCHOOL, AND TO MISS
ETHEL M. HICKS, EFFICIENT
ASSISTANT ADVISER,
THROUGH WHOSE UN-
TIRING EFFORTS WE HAVE
BEEN SO SUCCESSFULLY
AND ZEALOUSLY GUIDED
THROUGH THREE EPOCH-
AL YEARS, THIS, OUR
"ARXALMA," IS GRATE-
FULLY DEDICATED . . .

From among the many ideals which you one day hope to attain, strive for courage to undertake cheerfully what the hour brings, and having assumed that, to carry it as bravely to the end.

O L A C. W A L T

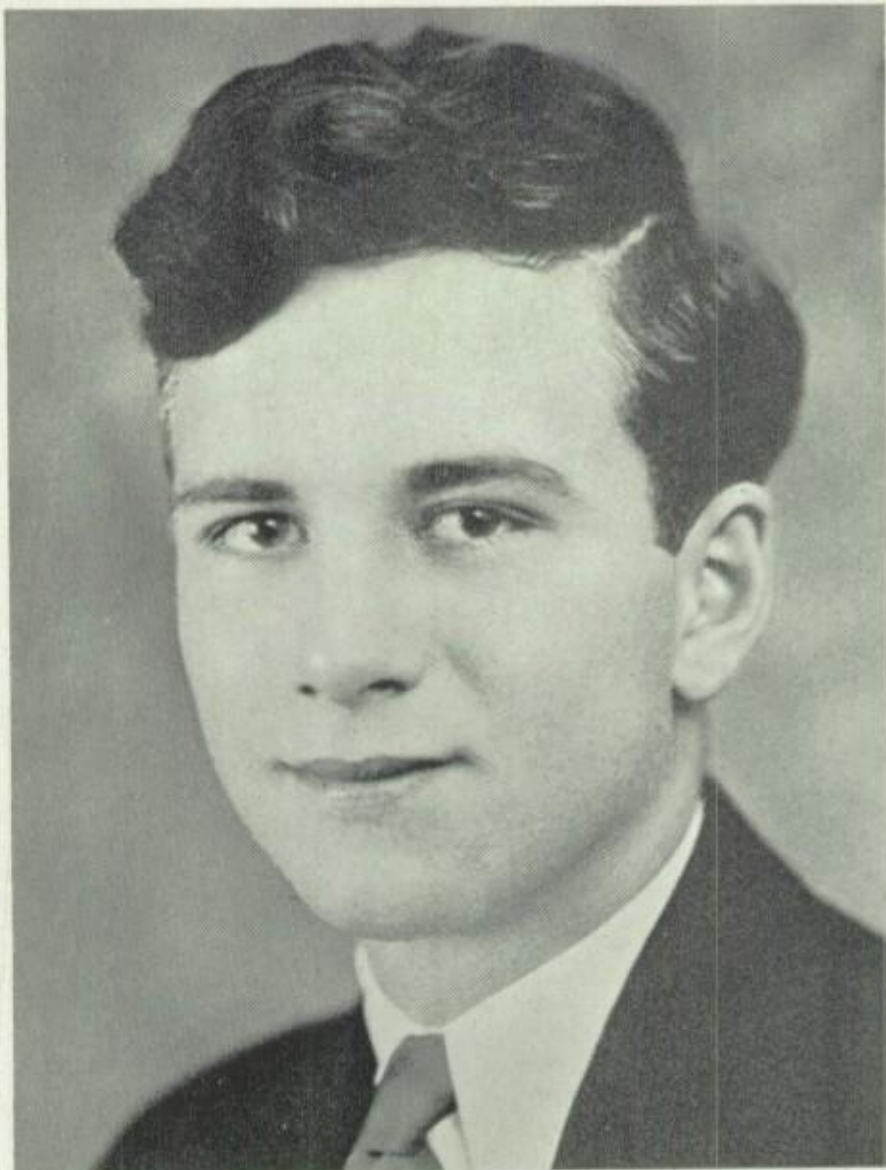

As you leave us, Class of 1934 June, may you face the future gallantly and unafraid. May you acquire the true courage and quiet strength that come to those who dare to continue their quest for the noblest in life even when fears bid them play the coward, even when necessity urges them to compromise with their ideals. Fearless, masters of self, knowing your weakness and your strength, may you tackle with dauntless purpose the problems that face your generation. May you work with your fellowmen to find happy and fitting solutions for them. Surely no life is a failure that has been lived courageously.

LOSING "JIMMIE" HAS BEEN A GREAT SHOCK AND SOURCE OF DEEP SORROW TO ALL THOSE WHO KNEW HIM. WE SHALL EVER CHERISH THE MEMORY OF THIS ALL-ROUND CLASS-MATE, > > >

ARXALMA MESSAGE

YEARS PASS, AND HIGH SCHOOL STUDENTS TAKE THEIR PLACES AS PARTICIPATING CITIZENS IN THE DUTIES OF A GREAT NATION. CHANGES OCCUR, AND THE BOY AND GIRL OF TODAY BECOME THE STEADYING INFLUENCES OF THE NATION OF TOMORROW. WHAT YOU WILL BECOME AND WHAT PART YOU WILL PLAY IN THE GREAT DRAMA OF LIFE ARE DETERMINED LARGELY BY THE PREPARATION AND LIVING EXPERIENCES YOU HAVE HAD IN READING HIGH SCHOOL. MAY THESE EXPERIENCES HAVE BEEN SUCH THAT, WHEN IN THE YEARS TO COME YOU TAKE DOWN THIS BOOK TO REVIVE OLD MEMORIES, A REAL FEELING OF APPRECIATION WILL PERMEATE YOUR NATURE AND EACH MOMENT WITH YOUR "ARXALMA" WILL BE A HAPPY ONE

J O H N P. L O Z O

May you go forth from our school fully convinced that your high school course has been a worth-while investment in yourself. Investments in other people's projects often come to grief; an investment in one's own personality is not only safe but pays big dividends. These dividends will depend largely on how you enrich your mind with knowledge and valuable experience and cultivate high moral qualities. It is my sincere wish that your "dividends" may be large and many, for then life is most likely to offer you its best. The poet is right when he says, "Destiny is not about you but within. Thyself must make thyself."

To 1934 June—

Youth is yours, that best though precarious gift of life; wisdom may be yours through the slow growth of years. If, in saying farewell, I could bestow upon you three further blessings, I would wish for you a keen zest for living, — "to live life largely and to live it well" — a fine sense of humor to see the things of life in true proportion, and a driving force that overcomes difficulties and wrongs and that unites the energies of a mind clean and a heart alive in a vigorous body.

RAE ABRAMSON

940 BUTTONWOOD STREET
COMMERCIAL BUSINESS

Mixed Chorus, 1, 2; Hall Patrol, 2.

As Rae can usually be seen as far from school as possible, we can judge how well she likes it. She does hate to get up in the morning! Can you imagine her as an animal trainer saying, "Is that so?" as she reaches for more candy?

**JOHN H. ADAM**

213 NORTH SIXTH STREET
COLLEGE PREPARATORY

Band, 1; Hunting and Fishing, 1, 2, 3.

Getting up in the morning doesn't appeal to Johnny so much as going to Logan's and doing nothing. Though no astronomer, he is a star-gazer. When interrupted by intruders, he may be heard to exclaim, "Gee Whiz."

MARY H. ADAM

213 NORTH SIXTH STREET
GENERAL VOCATIONAL

Glee Club, 1, 2; Mixed Chorus, 2, 3; Leaders, 1; Girl Reserves, 2, 3; Hockey, 1.

Shorty feels that her dancing is terrible, so she stays at home near the radio, eats candy, does homework, and dreams of her future as a dishwasher.

**MARGARET L. ADAMS**

ESTERLY
COLLEGE PREPARATORY

S. O. S., 1, 2; Dramatics, 3; Student Council, 2; Executive Committee of Student Council, 2; "Red and Black," 3; Arxalma Staff; National Honor Society; Silver and Gold Scholarships; Honor Study, 2.

"Procrastination is a stitch in time," says Margie. She is most content when driving beside a brook. Disdainfully, she sniffs the hateful odor of sulphur gas and dreams instead of lilacs and honeysuckle.

GERALD G. ALBRIGHT

1417 PERKIOMEN AVENUE
GENERAL VOCATIONAL

Student Council, 1, 2; Hunting and Fishing, 1, 2; Cross Country, 1; Track, 1, 2, 3; Football, 2, 3; Class Basketball, 1, 2.

In his home, Gerry, who gladly assists his mother with dishwashing, shouts, "Go away," to his brother. His imagination is so active that he dreams of catching snakes on Mount Penn and of becoming a Swiss guide.

**JOSEPH L. ANDERKO**

407 PEARL STREET
COLLEGE PREPARATORY

Class Basketball, 3.

"Yowsah," says Joe if anyone criticizes Rubinoff. Then he hastens to the ice cream parlor where he listens to the radio and talks his plans for being an aviator.

MARVIN M. ANGSTADT

1206 LINDEN STREET
GENERAL VOCATIONAL

Aviation, 1; Cooking, 1, 2; Boxing and Wrestling, 2; Tennis, 3.

Angy is a budding aviator. The main reason for this perhaps is to avoid girls who make him say, "Don't do that." His favorite outdoor sport is baseball, and his pet indoor sport is guarding the refrigerator.

**EDWARD A. ARNOLD**

234 NORTH TENTH STREET
SMITH-HUGHES

Eddie is willing to desert the Elm Athletics Club for the summer and to get away from the ten-cent beef regions in order to start working on a farm. "I hate your line," says he as someone razzes him about his aspiration to be an auto mechanic.

CAROLINE R. ARTZ

520 McKNIGHT STREET
COLLEGE PREPARATORY

Dramatics, 1, 2, 3; Library, 1; Hall Patrol, 3; Honor Study, 2, 3; National Honor Society.

Tiny may be seen any clear day walking in or out Fifth Street or going to 520 McKnight Street. She wants to become a school teacher so she can tell some fresh pupil, "You're in a fog," and make him translate Virgil's "Aeneid."

**RUTH L. ATWOOD**

715 NORTH FIFTH STREET
COLLEGE PREPARATORY

French, 1; Archery, 1; Camera, 2; Dramatics, 3.

"Thank Heaven, concentrating isn't necessary while sleeping!" says Woof. This flapper enjoys Sloppy Joe's where she can say, "I don't know," to her heart's content.

VIRGINIA ELIZABETH BAER
612 WEISER STREET
COMMERCIAL SECRETARIAL

Dramatics, 1, 2, 3; Typewriting, 2.
Betty has hopes of becoming a confidential secretary. We hope she won't say, "Laugh? I almost split a tonsil!" to her boss. She enjoys reading detective stories and is often found haunting the refrigerator. By the way, she detests housecleaning.

JOHN BALSON
400 HAZEL STREET
GENERAL VOCATIONAL

Band and Orchestra, 1, 2, 3; Ensemble, 1.
Johnny plans to be a business man and play the game squarely. Here's luck! Since he dislikes reading books, he probably spends his time at the club asking, "What do you think?"

MAE BARR
327 HOLLENBACH STREET
COMMERCIAL BUSINESS

Mixed Chorus, 1; Dramatics, 1, 2, 3; Library, 2; G. A. A., 1, 2, 3; Cooking, 3; Baseball, 1, 2, 3; Basketball, 1, 2, 3; Hockey, 1, 2, 3; Track, 2; Volleyball, 3.

Pal would rather go to bed than study. She believes in less work and more pay. You can hear her "Oh my Georgie!" resounding through the girls' locker room when Pal is around.

DOROTHY A. BARTH
1355 GREEN STREET
COMMERCIAL SECRETARIAL
Dramatics, 1.

Toot hopes that some day she'll be able to listen to a lecture and like it. You may have heard her trying to sing at the Social Club—or perhaps saying, "What, no beer."

RALPH C. BEHM
1632 MINERAL SPRING ROAD
COLLEGE PREPARATORY

Class Executive Committee, 2; Social Committee; Science, 1; Stamp and Coin, 2; Tropical Fish, 3; Hunting and Fishing, 3; Silver Scholarship; Arxalma Staff; National Honor Society.

Have you ever heard Butch shouting, "My horse for a kingdom!"? Although he enjoys eating bananas, he hates the peels. Can we blame him? He doesn't mind extinguishing fires if there's a promise of resting later under his blanket of blue.

RUTH A. BEHNEY
537 FRANKLIN STREET
GENERAL VOCATIONAL
Dramatics, 3.

Skeeter has domestic traits. She likes to make candy for..... but dislikes turnips. Ask her to croon for you! She insistently says, "Oh, Thelma!" She just "loafs" to stay in bed.

CATHERINE BENNETHUM
1051 BUTTONWOOD STREET
COMMERCIAL SECRETARIAL

S. O. S., 1; Sewing, 2; Glee Club, 2; Stenography, 3.

Kitty hates to walk to school in the morning. She'd much rather be on her way to Mike's. We hope that when she becomes boss of a certain Clyde, she'll have plenty of time to eat cakes. Her favorite saying is, "No kidding!"

EUGENE W. BEZLER
933 CHURCH STREET
SMITH-HUGHES

Tennis, 1; Baseball, 2.

Bezzie enjoys shigging mice with a crowbar. The brute! He, however, dislikes people who scare children. What a man! He delights in saying, "Scram, I hate to be alone." He hopes someday to take over the "Sharks."

ARTHUR BIDDEN
30 NORTH ELEVENTH STREET
GENERAL VOCATIONAL

Hunting and Fishing, 1, 2; Pre-Med, 2.

Artie aims to be a big business man so that he'll have plenty of time to sleep in the grass. He's often heard saying, "I'll be seeing you." Books are his enemies.

OMER BIXLER
446 BINGAMAN STREET
SMITH-HUGHES

Hunting and Fishing, 1; Chess, 3; Golf, 1, 3.

Although Hardy spends most of his time in his woodshop, he hopes to be a great golfer in time. He is frequently heard saying, "O. K., palsy-walsy." You might wonder at the fact that his pet aversion is "Snitz and Knepp."

JESSAMINE BOARDER
1756 COTTON STREET
COMMERCIAL SECRETARIAL

Dressmaking, 2.

Jessie dislikes being serious; but, if she hopes to be Al Capone's secretary, she will have to start thinking and stop fooling people into believing she is a lawyer. She will have to hang around Atlanta and not the old swimmin' hole if she wants to please Al.

RUTH I. BOHN
514 NORTH TENTH STREET
COMMERCIAL SECRETARIAL

Mixed Chorus, 1, 2; Senior Orchestra, 1, 2, 3; Ensemble, 2, 3; Glee Club, 1; Girl Reserves, 2, 3; Silver and Gold Scholarships.

Daniel enjoys picking petals off daisies. Perhaps they help her keep Al on a string. One can always find Daniel at Fair's telling people, "O. K. by me." She actually hates to practice scales.

JANE BOSTIAN
417 FERN AVENUE
GENERAL VOCATIONAL

Dramatics, 1; Mixed Chorus, 1; Girl Reserves, 2, 3; Sewing, 3.

Janie hopes to be a cook. We wish her luck! She likes to dance and also to park at Hammer's Soda Grille. Janie detests smoking. She often is heard to say, "No!" We hope she won't always give this answer.

HELENA M. BOUCHAT
1010 SPRING STREET
COMMERCIAL SECRETARIAL

Art, 1, 2, 3; Scholastic Art Award.

Gene, our future magazine illustrator, likes to be at good o'd Baumstown. We hope she doesn't have to eat turnips and cabbage while in that town. Gene finds consolation in saying "Oh, Yeah! What about yourself?"

DOLORES V. BOYER
159 WEST WINDSOR STREET
GENERAL VOCATIONAL

Girl Reserves, 1, 2, 3; Dramatics, 1, 2; Dressmaking, 3; S. O. S., 2; Student Council, 1; Senior Assembly Committee; Hockey, 1, 2; Basketball, 1, 3.

M-m-m-m, Del wants to be a football hero. We pity poor Ed. Davis if she ever tackles him because she might take him to Pat's and start dunking him.

MARGARET L. BOYER
140 WEST DOUGLASS STREET
GENERAL VOCATIONAL

Dramatics, 1; Autograph, 2.

Peg wants to be an office-worker so that she will have plenty of time to read and sleep. One can always find her parked in bed reading on a bright sunshiny morning. Perhaps if she gets a job with a buggy-whip company, she may be able to roll out of bed and say, "Skip it."

MARYAN K. BREDBENNER
734 NORTH SECOND STREET
GENERAL VOCATIONAL

Dramatics, 1, 2, 3; Leaders, 1; Cooking, 3; Teniquoit, 1; Volleyball, 1.

Breddy likes to dance; and as a result, she sleeps till twelve o'clock noon. We wonder if she ever says, "Oh you big—," to her dancing partner when he steps on her toes. She wants to be a nurse or housewife, perhaps both. Poor Mae Barr is Breddy's only dislike.

CHARLOTTE A. BRICKER
108 WEST OLEY STREET
COLLEGE PREPARATORY

Dramatics, 1, 2; Orchestra, 1, 2, 3; Ensemble, 2, 3; Class Executive Committee, 1, 3; Class Song Committee; National Honor Society; Silver and Gold Scholarships.

Charlotte hopes to be a Russian ballet dancer in the future. Men are her chief dislike; but, in discussing people, she finds delight. "Please——!" is Charlotte's favorite expression.

VIVIAN BRICKER
420 NORTH ELEVENTH STREET
GENERAL VOCATIONAL

Mickey aims to teach in kindergarten. We can well imagine her saying, "Children, that's what I say." She enjoys reading in the parlor for pastime. When Mickey thinks of dentists, her teeth chatter.

BESSIE M. BRISAN
1432 NORTH TENTH STREET
COMMERCIAL BUSINESS

Dramatics, 1; Cooking, 1; Silver Scholarship.

Getting up for school gives Betty plenty of worry; but once she sees Jessamine Boarder, she fails to worry. She just loves to talk. Betty anticipates becoming the world's worst stenographer. By the way, Betty hangs her hat and coat at Grace's.

NORA E. BRITTON
1222 LOCUST STREET
GENERAL VOCATIONAL

Public Speaking, 1; Dressmaking, 1; Dramatics, 2; Tennis, 3; Hall Patrol, 2, 3; Basketball, 2.

Detention is a second home for Nora; she drops in every now and then. We advised Nora to try to learn French instead of baking chocolate cakes and ruining peoples' stomachs; but all she said was, "So what!" She and cats just don't get along.

GERALD BROWN
559 SOUTH FIFTEENTH-AND-
A-HALF STREET
SMITH-HUGHES

Art, 1, 2, 3; Bird, 2; Tennis, 3.

"Avast thar, ye swabs," cries Bus, our champion dry land diver who hates the rain; and who hopes to do a deep sea dive in a bucket of water. Bus can be located at Herb's Confectionery Store, catching fish with a mouse trap.

CLARENCE H. BRUBAKER
1308 MOSS STREET
SMITH-HUGHES

Aviation, 1, 2.

"Steady, boys, steady!" Bruey, our champion skunk hunter, is going to cross the Atlantic Ocean on a scooter. He might need a flag pole sitter while on this journey. Incidentally, Bruey is a member of the F. & H. Tall Story Club.

FORREST C. BUCHER
920 NORTH SIXTH STREET
GENERAL VOCATIONAL

Autograph, 1, 3; Class Baseball, 1, 2, 3; Cross Country, 2, 3.

Specs, who is going to swim the Schuylkill River, is saving thumb-tacks which he hopes to use in patching leaky umbrellas. If you doubt this statement, ask Specs who will aver, "Why, sure, that's what I say!"

ARLINGTON BUCKLEY
1037 MADISON AVENUE
GENERAL VOCATIONAL

Mickey hopes some day to become a nurse. If she does become one, she'll have to forget her pet hobby, sleeping. Right now she is seen most frequently at Thirteenth and Douglass streets, which fact is quite natural. She tells us her chief dislike is boys. We believe all you say, Mickey; but, about that last statement, we'll use your own expression and ask, "Is that so?"

VALERIA M. JABLONSKI

F. LAURA KEIM

MAY KNOLL

234 REED STREET

Liz has certainly hitched her wagon to a star. She actually aims to go a step higher than Garbo! It's hard to believe that such an attractive girl doesn't like men—particularly when you consider that her favorite pastime is sailin' around the town with C. Gable and going to the "Chat-a-While."

**JESSE W. KERN**

Leaders' Club, 1; Girl Reserves, 1; Dramatics, 2; Dressmaking, 3; Volleyball, 1; Hockey, 2.

If Evy doesn't conquer her dislike for Latin and stop wasting her time in the five and ten cent stores, she'll never attain her cherished ambition of becoming a druggist and meeting a rich, good-looking doctor. **MORRIS KOTZEN**

632 MULBERRY STREET
GENERAL VOCATIONAL

Morris wants to be a multi-millionaire; and, from the sound of things, he expects to make his millions playing pinochle at Bill's Confectionery Store. If you're going to be a millionaire, Morris, you'll have to get used to being in the spotlight, even though you dislike it now.

cut down on those parties that you
wish would never break up. Sit-

where. Next time, you'd better say,
"Ay tank ay go home," when the

only disadvantage in that is that
she couldn't have a telephone at

"OUR CHILDREN" are "ALL RIGHT"

"All right!" And Mr. Engel's inimitable tone of finality as he utters the inevitable words is echoed with equal forcefulness by Mr. Scheible's "All right!" These two, Willy and Stasi, were enough in themselves to warrant unanimous expressions of delight and appreciation as "Our Children," a well-written drama by Louis Anspacher, was enacted by the faculty in the high school auditorium on April 12. The play was presented for the benefit of the school relief fund. It was very capably directed by Mr. Fink, whose matchless skill as a director was again evidenced.

To express adequately the reactions of the students and friends toward the presentation would be impossible. Let it suffice to say that each character seemed to live his part and to fit perfectly into the atmosphere of the play. As Mr. Fink has remarked, "A well-written play can mean nothing without good players. Our faculty did remarkably well." The audience was swayed from humor to pathos, from overflowing mirth to breathless suspense and tender sympathy. The drama will be remembered as one of the highlights in the high school career of the Class of '34.

SENIOR HIGH SCHOOL ORCHESTRA.

PAGEANT

THE present year, 1934, is an important one in the annals of the Commonwealth of Pennsylvania, in that it marks the one hundredth anniversary of the establishment of free schools within the state. To mark this important date, the Class of 1934 June has decided to have its Commencement Pageant depict in song and story the significant events of this century of progress in Pennsylvania education.

The pageant, which is the first student-written program prepared by Reading High School Seniors, will be divided into two major parts: Part I will recall the past, and Part II will discuss the present and point to possibilities in the future.

Let us now consider the more specific aims and content of Part I, which will consist of four episodes, each of which will be introduced by an appropriate procession which will aim to emphasize the central theme of the episode and to connect the episode with the general theme of the pageant.

The procession which serves as an introduction to Part I presents a political parade in 1835, at the time when the opposition was marshalling its forces against the Free School Law of 1834. The episode depicts Thaddeus Stevens' speech which saved the Bill during the 1835 session of the Legislature.

Episode II shows the progress that free education enjoyed during the decade from 1834-1844. It impresses the fact that the free school functions for the benefit of the individual.

The central idea of Episode III is the fact that free schools operate also for the benefit of the community. The episode represents the part that the public school played in 1865 in combating the unprecedented exodus from the rural community to the city and to the West. The episode celebrates also the influence of the newly-established Pennsylvania State College in the advancement of rural communities.

Episode IV deals with a more recent school at a period when recognition was first being paid to individual interests and individual differences. This episode presents the child-centered school.

Part II depicts the place of education in our machine age. The central theme is training for the wise use of leisure. Literature, music, art, and sports: all of these are represented as playing an important part in the schools of today and tomorrow.

All in all, the pageant is designed to present picturesquely a century of most important advancement in our Commonwealth.

ACTIVITIES

WHEN the "Castle on the Hill" was established in 1927, the "Red and Black," the student publication, was under the direction of Mr. Arnold. At that time, the paper was a four-page, weekly paper. A year later, there appeared "Red Pen," which developed an interesting literary section; however, because of the financial status of the school, this magazine was abolished.

In 1930, Mr. McClelland became the faculty adviser of the "Red and Black." The weekly paper was discontinued and an eight-paged, bi-weekly paper was issued. This included a new literary section.

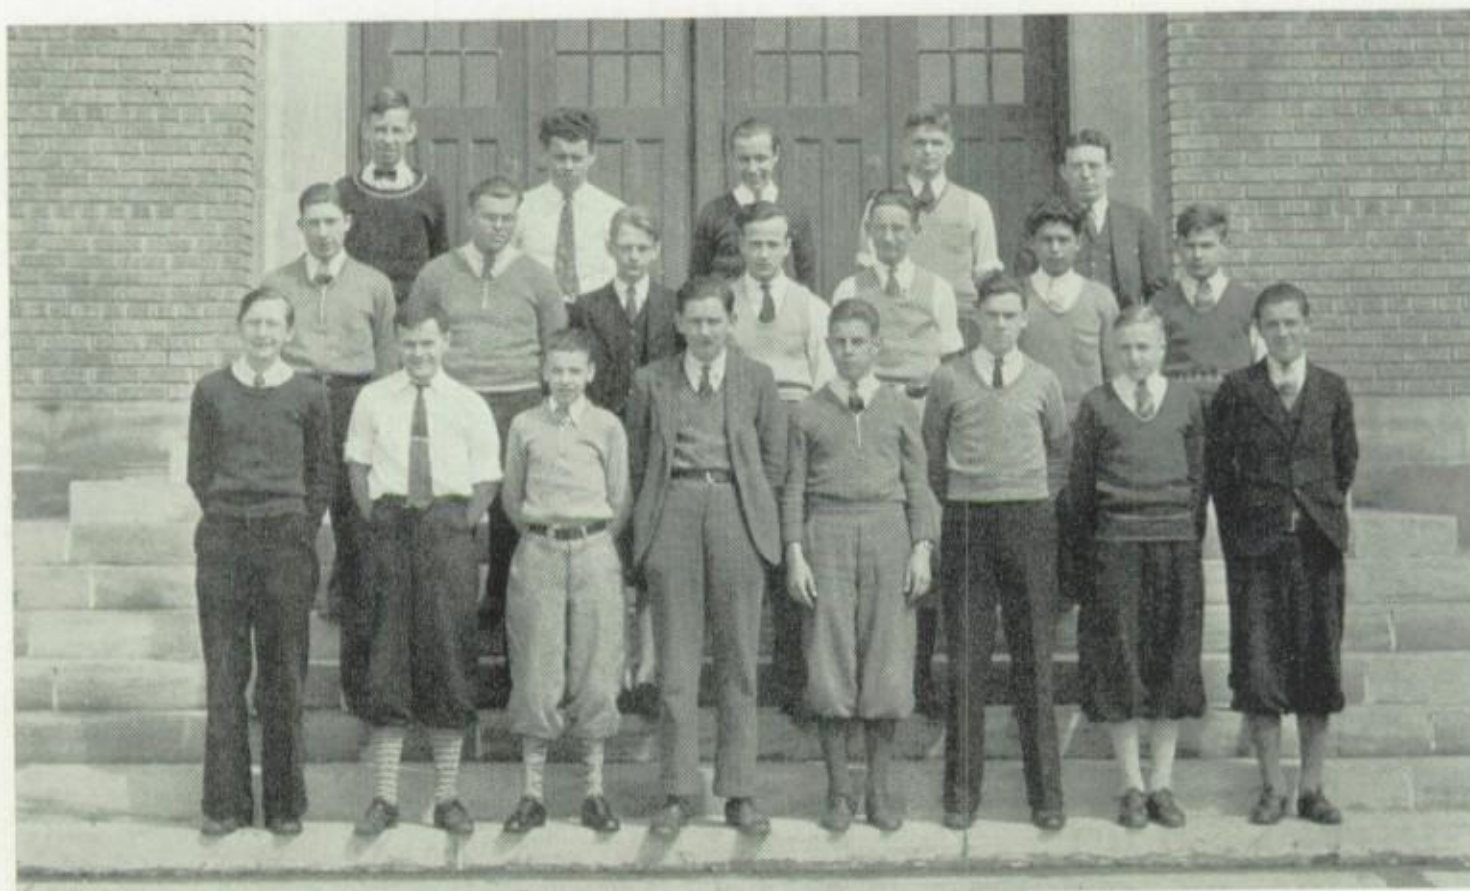

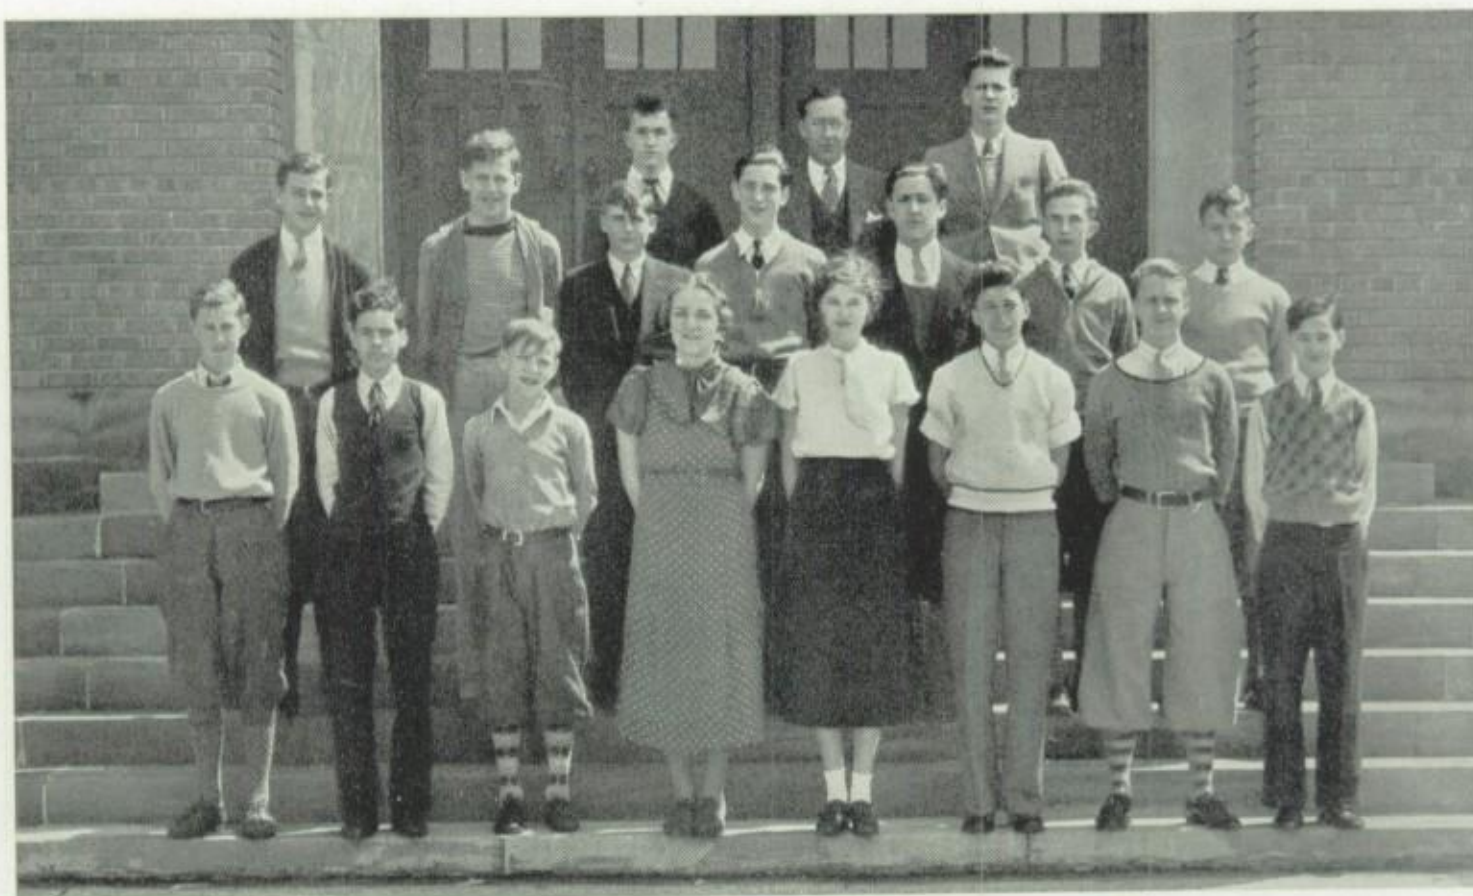

The four-page, weekly paper appeared again in 1932, and has continued ever since. It includes organization news, editorials, alumni news, accounts of all athletic events, short stories, and humor. The aim of the staff is to print news that will help to teach the essential factors that go to make up sportsmanship; to build up a school spirit that is worthy of a school as large as Reading High, and to build up the honor and good name of the school.

In June, 1932, a special anniversary issue was published to celebrate the fiftieth anniversary of the paper. This issue was an exact reproduction of the first Reading High newspaper.

In 1933 and in 1934, the "Red and Black" received first place at the Pennsylvania Scholastic Press Association Convention. The paper is now a member of the Pennsylvania Scholastic Press Association; and, a few years ago, it was also a member of the Columbia Press Association.

BASKETBALL

A GLOWING chapter has been added to Reading High's sports annals by the most successful basketball team that has ever worn the Red and Black colors. The 1933-34 squad, which recently received the monicker of Red Knights, battled its way to a Central Pennsylvania crown, then waged a gallant fight to survive four play-off games in the P. I. A. A. eliminations and reach the final round, a feat never accomplished before by any Reading High machine. Coach Dietrich had assembled a quintet of fighters, five boys who weren't beaten until the final whistle blew. Now that the curtain has lowered on the most dramatic season in Red and Black history, we can still look back on the team's achievements with lots of happy recollections and thrills—especially those stunning victories over Palmerton and Coal Township in the intra-district play-offs. Throughout the campaign we were driven from our seats by sensational second-half or last-minute rallies, rallies engineered by a band of youths who wouldn't taste defeat before giving all within them. Let's give them a big hand, for they have boosted our Alma Mater to heights never before attained. We can well be proud of the 1933-34 squad, and here's hoping future Reading High passers can attain, or even surpass, the record established by them.

Not only did the varsity enjoy a successful campaign, but also the Jayvee five came through with flying colors. The little Red Knights, playing in the newly established Jayvee circuit, finished well up in their league after holding the top rung for the greatest part of the season. Defeats by William Penn and Lebanon, towards the close of the campaign, pushed the Knights off the top rung, allowing Lebanon to cop the scrub diadem.

RED KNIGHTS SWAMP TRADESMEN IN OPENER

Behind a smooth-working offense and a tight defense, the Red Knights opened their 1933-34 season with an easy 30-10 victory over Wyomissing Trade. Coach Johnny Dietrich started a surprise combination, consisting of S. Mendelsohn and Dracha, forwards; Mantz, center; R. Mendelsohn and Foreman, guards, that clicked perfectly throughout the game. Captain Alex Dracha led the Knights in their initial contest, tallying four field goals and two foul shots.

KNIGHTS CONQUER CADETS

In a brief, delayed game, the Red Knights coasted through a West Chester Military Academy five, 23-17. The Knights led throughout; and only once, in the third quarter, with "Whitey" Mahalko playing brilliant ball for the Cadets, did the visitors come within five points of the Red and Black cagers. Stew Mendelsohn led the scorers for the evening, sinking three field goals and a like number of fouls.

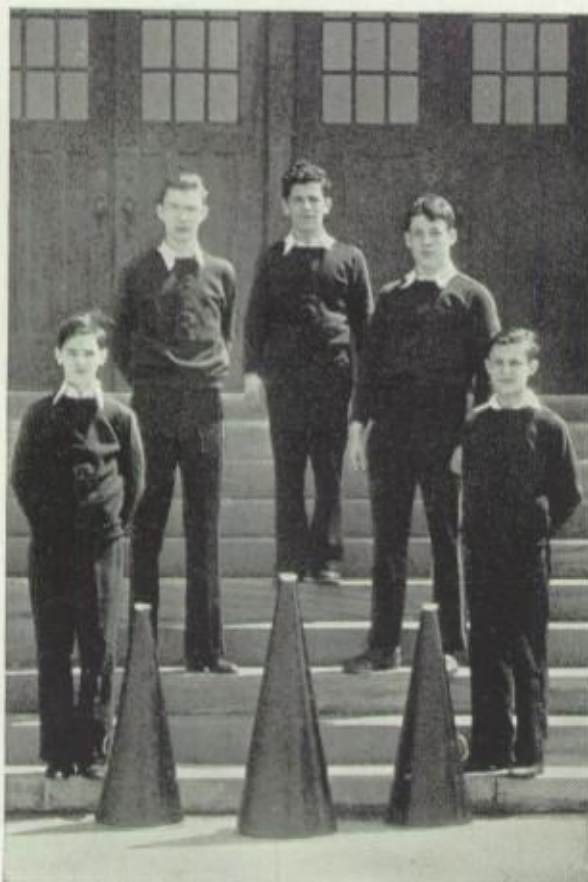

EAST STROUDSBURG WAYLAID

A highly touted East Stroudsburg five offered the Red and Black hoopsters little opposition as they swept to their third consecutive victory, 44-20. Clayton Mantz, who, heretofore, had done little scoring, led the marksmen for the evening, surprising everyone with his scoring tactics. Rarely noted as a scoring threat, the "tall one" accounted for eleven points with his five field goals and one foul shot. Dracha bore the brunt of the floor work, playing a clever passing and defensive game.

GRADS RECEIVE TROUNCING

Bombarding the baskets with a final quarter barrage of field goals, the Red Knights annexed another contest, downing the Alumni cagers, 51-28. Led by two sharpshooting forwards, S. Mendelsohn and Dracha, each of whom tallied eighteen markers, the Red and Black five was master of the situation throughout the game, with the exception of early in the third quarter, when the Alumni five made a belated spurt and crawled to within five points of the winners. Stew Mendelsohn gave a remarkable exhibition of foul shooting, caging eight free tries.

JOHN HARRIS BOWS IN LEAGUE OPENER

After a shaky first half, the Red Knights settled down in the final periods to cop their first league contest, at the expense of the John Harris basketeers, 35-25. Subbing for Mantz, who suffered a sprained ankle, Randy Horowitz made a successful debut in league competition with his best performance of the campaign. Jimmy Foreman's five straight points at the start of the second half turned the tide, after the Capital City cagers had enjoyed a 13-9 lead at half.

ALLENTOWN HANDS KNIGHTS FIRST SETBACK

Although the Red Knights took an early lead, the Canary and Blue cagers of Allentown handed them their first reverse in six starts, 30-27. The Knights held a close advantage until the final quarter, when Wally Forbes broke through their defense to tally three twin pointers, which proved to be the winning tallies. The Mendelsohn twins again stood out for the Red and Black cagers, tallying twelve points between them. Injuries to Mantz and Foreman forced Coach Dietrich to shift his lineup after the Knights had grabbed an early lead.

HERSHEY BOWS

A substitute, starting his first contest of the season, led the Red and Black cagers to a one-sided triumph over Hershey, 44-17. Bert Sherker, playing in Alex Dracha's stead, played a sterling game at forward, and tallied six twin pointers. The Red Knights led throughout the tilt, holding a 23-15 lead at half time. Sherker's brilliant play assured him of a place on the first string five in future tilts.

LANCASTER FAILS TO IMPRESS

The Red Knights retained their perfect league record with a smashing 32-20 victory over Lancaster's Red Tornadoes. Displaying a sparkling offense, headed by Captain Aba Dracha

and Randy Mendelsohn, they rolled up a 16-9 lead at half time, a lead which they gradually increased to their final 12-point margin. Because of his fine showing in the Hershey tilt, Bert Sherker teamed with Clarence Guldin at a guard position, but played only a half, being ejected via the personal foul route.

WILLIAM PENN SUCCUMBS IN CLOSE BATTLE

In a hectic contest which required two extra periods, the Red Knights eked out a 29-28 win over William Penn. A long shot by Abe Dracha in the second extra session decided the tilt. The victory enabled the Red Knights to enter first place, as Steelton droppd its first league contest. Stewart Mendelsohn led the Red and Black scorers, amassing nine points with four field goals and a foul.

RED KNIGHTS PLUCK WHITE ROSES

After trailing for three periods, the Red Knights made a sensational comeback to stave off a last place York outfit, 22-20. Paced by the Mendelsohn twins, who scored seventeen markers between them, the Red and Black dribblers annexed the fifth consecutive league victory. Randy Mendelsohn's sharpshooting in the final three minutes of play enabled the Knights to retain their perfect league record.

RED KNIGHTS FEAST ON LEBANON

The Red Knights chalked up their sixth straight league contest, downing Lebanon 40-28 and served notice that they were going places! Captain Alex Dracha led the Red and Black scorers, tallying on three long shots, and two free tries. Al Reppert, playing for the first time in the center position, gave a fine account of himself, gaining the tap, and scoring five markers during the fracas.

ALLENTOWN PREVAILS

For the second time, the Canary and Blue jinx of Allentown handed Reading High's basketball five a setback, 36-23. Allentown led throughout. Their reserves, who started the game, gave Birney Crum's squad an early lead. The varsity five, with Meyers and Hellrich starring, continued the parade of field goals. Abe Dracha was the lone Red Knight to give a favorable account of himself, playing a bang-up floor game as well as leading the Knight scorers with four double-deckers.

STEELTON ISSUES KNIGHTS FIRST LEAGUE LOSS

After winning six straight Central Pennsylvania League contests, the Red Knights fell before a determined Steelton quintet, 33-30. Poor foul shooting cost the Red and Black five the contest, for they registered only four out of fifteen free throws. Randy Mendelsohn continued his sensational shooting, sinking five field goals and a foul. Despite their loss, the Red Knights retained their lead over Lancaster by a full contest, as the first half ended.

JOHN HARRIS AGAIN BOWS

Clarence Guldin personally conducted the Red Knights to a 23-16 triumph over John Harris High. The husky guard tallied three

straight field goals in the final quarter to overcome the Harrisburgers' slim advantage. Ability to shoot fouls aided the Dietrich-coached hoopsters to victory, as they counted nine out of ten charity tosses.

HERSHEY UPSETS KNIGHTS

Hershey High's basketball quintet pulled the greatest upset of the Central Pennsylvania League season when they defeated the Red Knights, 31-29. Although the Red and Black cagers took an early lead, the Candy City Kids, with Mike Zimmerman running wild, caught up and finally overtook their rivals in one of the most spectacular games of the year. Abe Dracha was again the star as the Red Knights lost, the lanky captain tallying six field goals. Clarence Guldin played a fine defensive game, holding his man to a lone field goal.

LANCASTER DEFEATED IN CLOSE GAME

Abe Dracha's last minute field goal gave the Red Knights a much coveted victory over their Lancaster foes, 28-27. The Red and Black cagers played superb ball, scoring most of their points on difficult shots. Besides playing a clever passing game, Stew Mendelsohn chalked up four field goals and a foul shot, to lead the scorers.

WILLIAM PENN COPS

A 22-19 defeat by William Penn dropped the Red Knights into a tie with Steelton for first place. Superior foul shooting won the tilt for the William Penn passers, who dropped ten out of fifteen free tries. The game was close throughout, with the Red and Black cagers always in a dangerous position to wipe out the Penn tossers' slim lead. Randy Mendelsohn again paced the Red Knights with three field goals, while the three forwards, Dracha, S. Mendelsohn, and Sherker, were effectively bottled up, scoring but one field goal among themselves.

WHITE ROSES WILT

Coming back strong in the second half, after trailing the greater part of the first, the Knights spurred to overcome a fighting York quintet, 42-31. Stewart Mendelsohn was outstanding for the Knights on the offense, bombarding the nets for a total of twelve points. The victory enabled the Red and Black five to retain their tie with Steelton at the top of the league, as Steelton smothered Hershey, 44-20. Lebanon next, then Steelton in the final melee of the Central Pennsylvania League!

LEBANON FALLS IN SECOND HALF RALLY

A great exhibition of sharpshooting by Randy Mendelsohn kept the Red Knights in a tie with Steelton for the league lead, as they downed Lebanon, 34-20. Lebanon played sensational ball the first half, emerging with a 17-15 lead as the period ended, but the Knights, with Randy in command, staged another late spurt to overcome that two-point margin. Clarence Guldin played fine defensive ball, keeping Lebanon's two ace forwards well in hand. Steelton yet, then a Central Pennsylvania diadem for Reading High's surprising five.

KNIGHTS COP CENTRAL DIADEM

Champs! For the first time since 1930 a Reading High basketball team copped the Central Pennsylvania Conference title, as the Knights played brilliant ball to conquer a bewildered Steelton outfit, 38-29. Clayton Mantz, playing the best game of his career, gave a marvelous exhibition of center play. The towering center worked the pivot play perfectly, and gained a majority of the rebounds from both backboards. Captain Dracha and Stewart Mendelsohn led the scorers, each tallying five twin-pointers.

STATE TITLE PLAYOFFS HANOVER EASILY SUBDUED

An easy 38-20 win over Hanover qualified the Red Knights for an encounter with Lititz High in the finals of the District 3, P. I. A. A. cage tourney. The Red and Black cagers led throughout in the Hanover tilt. Coach Dietrich used more players in the melee than in any other during the season. Randy Mendelsohn was the scoring ace, accounting for twelve tallies with his five field goals and two foul flips.

KNIGHTS TRIM LITITZ TO COP DISTRICT 3 TITLE

The Red Knights continued their sensational march toward a State Title with a sweeping 50-27 victory over the Lititz High cagers. Displaying a smooth offensive that clicked perfectly, the Red and Black basketball players jumped into an early lead which they held throughout. Stewart Mendelsohn was the offensive star, tallying six field goals and two fouls for a total of fourteen points. Clarence Guldin and Randy Mendelsohn showed the fans a high scoring, as well as a close guarding, pair of guards, the former tallying eleven points, the latter ten.

KNIGHTS UPSET DOPE, SUBDUE PALMERTON

A sparkling Reading High quintet upset the dopesters when they broke through Palmerton's supposedly perfect defense to register a 28-21 victory and gain the right to meet Coal Township in the State Semi-Finals. The game was a marvelous exhibition of defensive play from start to finish. The Knights trailed 7-4 at the end of the first quarter, but went into a 14-10 lead at half. The third period tightened things up somewhat, as it ended with the score 16-14. With their characteristic spurt in the final chapter, the Red Knights entered the State Semi-Finals. There was no individual star for the Central Penn Champs, who displayed a smooth, co-operative outfit; however, Captain Abe Dracha led the scorers for the evening with four double-deckers.

COAL TOWNSHIP OUTFOUGHT

Coming back with one of the snappiest second half rallies witnessed during the campaign, the Red Knights eliminated a scrappy Coal Township outfit, 41-39, to enter the State finals in Pittsburgh. The Knights were way off form in the first session, trailing by twelve points at half, 25-13. Their passes were wild, and their shots awry, whereas the Miner cagers enjoyed "a night on." Led by Randy Mendelsohn, the Knights staged a sensational comeback in the second half to overtake their opponents. Two substitutes, Al Reppert and Bert Sherker, put the game on ice late in the final period with their markers. Randy Mendelsohn led both teams in scoring, caging six goals from scrimmage and one from the fifteen foot line. His brother, Stew, played the best floor game of the evening, keeping the ball in the Red and Black cagers' possession with his accurate passing and elusive dribbling. Shuffle off to Pittsburgh!

SOUTH HIGH COPS STATE TITLE, 42-17

Reading High's bid for a State Championship ended in a disappointing, but glorious defeat. Although the Red Knights held their Pittsburgh rivals on even terms throughout the first half, they completely wilted before a second period avalanche of points. One man, Captain Eddie Spotovich, was alone too much for the gallant Knights. The South High leader counted eleven field goals and two foul tries for a total of twenty-four points. After being held to two twin-pointers in the first session, he opened the second half with thirteen straight markers that completely routed the morale of the Red and Black five. For the Knights, Randy Mendelsohn led the attack. The guard tallied five field goals, four of which came in the first half and kept the score close.

The Knights, after weathering one of the stormiest campaigns in the history of Reading High, went down fighting to a team that, as Captain Abe Dracha said, "was the better of the two that night."

SUMMARY

Randy Mendelsohn led the Red Knight scorers. The guard member of the twins, who was not blanked in a single contest of the scheduled twenty-five, tallied 203 points, averaging slightly better than eight points per contest. Randy was well out in front in individual scoring, his closest rival, his brother Stewart, trailing him by 39 points. Stewart and Captain Alex Dracha ran a close race for the second berth, only three points separating them at the finish of the campaign. Randy led the squad in sinking both field goals and foul tries, caging 85 double deckers and 33 free tosses.

JUNIOR VARSITY BASKETBALL

This year the Central Pennsylvania Basketball League adopted the new Junior Varsity plan. The idea proved to be a great success because it brought larger crowds to the varsity tilts. It was also advantageous in that it gave the up-and-coming players much needed experience and added greatly to the public interest in high school basketball. This fine plan is largely responsible for bringing back some of the old spirit of cheering and rooting that has been absent from Reading High's sports for so long.

JOHN HARRIS DROPS TWO

John Harris High suffered two defeats, 22-17 and 22-19, at the hands of Reading Reserves. In the first game, at home, Captain Sherker showed some fine style which earned for him a promotion to the varsity. Pete Yousaitis, who became acting captain in Sherker's place, was the one who brought the Scrubs from behind to capture the second game of the series. This win kept the boys in first place, and gave them a successful start in the second half of the league.

HERSHEY DRUBBED TWICE

Twice the Chocolate Towners' defense melted before the swift concentrated attack of Reading's Junior Varsity. Under the leadership of Captain Yousaitis, the Reserves settled down after a wild start and easily won the first encounter, 35-15. The second game of the series was a runaway for Reading, who looked like league champions. Calabria and Hafer, paced by Yousaitis, rang up thirty-eight points among themselves. These three alone practically sank Hershey, 54-20.

LANCASTER STOPS JAYVEES

The Scrubs lost an important series to the tall, lanky quintet from Lancaster. The Lancaster boys worked the ball high above the Red Knights' heads so that Reading seldom handled the spheroid. Captain Yousaitis played a sterling game in the first of the series, but he could not avert the 26-16 defeat. In a thrilling extra period contest, Lancaster rallied to tie the score with a foul after the final whistle had blown and finally to win out in the extra canto. Kurowski and Yousaitis had seemingly put the game on ice; but the removal of Calabria, Busby, and Kurowski in the extra period demoralized Reading. This 28-24 defeat tied the Reserves with Lancaster for the loop lead.

RESERVES AND PENN SPLIT

In a fast but closely guarded tilt, the Reading scrubs nosed out William Penn, 18-16. Yousaitis, Calabria, and Ritter kept the Jayvees in the run with some timely field goals. The second game of the series, however, saw the Red Pages being nosed out by Penn, 26-23. Although Horowitz, a varsity player, had been injected into the Pretzels' lineup and Yousaitis did some deadly sharpshooting, the Harrisburgers could not be conquered.

WHITE ROSES FADE

Although Reading's Reserves started slowly, they returned to form in the second half after one of Coach Schweimler's inspiring locker-room talks. With the sixteen points contributed by Yousaitis and Kurowski, Reading's deadeyes, York was easily defeated, 24-18. In Reading, York offered little opposition to the Red Knights; and Coach Schweimler used two different combinations in administering a 35-13 lacing. Captain Yousaitis was again the flashy, shooting ace.

JUNIOR VARSITY SPLITS WITH LEBANON

After the little Red Squires had assumed an early lead, Lebanon, with their backs to the wall, started a belated rally that almost resulted in victory. Dick Busby's timely sharpshooting and Kurowski's expert guarding saved the game, 31-30. In the second game of the series, Lebanon destroyed Reading's hopes for a Junior Championship by a 31-21 victory. Lebanon displayed fine form and jumped into the lead from the first tapoff. Whitey Kurowski was the only one who kept Reading in the game and prevented a runaway.

RESERVES SINK STEELTON TWICE

The Red Knightlets copped their sixth league tilt in addition to the first-half championship of their league by a 22-15 victory over Steelton. Kurowski made some sensational bull's eyes with Lesko following close behind. In the final contest of the year, Coach Schweimler's charges emerged with a thrilling 30-18 victory. Although the final score was one-sided, Reading appeared rather shaky at first, Johnny DeBold had his best night of the season, and Charley Calabria played a bang-up floor game.

TRACK

ONE of the reasons for predictions of a successful track team is that the relay team has again brought the bacon home to Reading High from the Penn relays after twenty-six years of unsuccessful attempts. Reading High had seemed to be jinxed. Captain Sammy Washington, however, didn't believe in jinxes. Taking the baton in third position, Sammy practically flew around the last lap of that mile course and passed two determined adversaries, on his way to victory. Although the boys got away to a slow start, the spectacular running of Oliver Patterson, John Trout, and Tom Woodward brought Reading from behind and set the stage for Washington's wonderful spurt in the anchor position. These boys should be praised for running a 3:37:8 mile, on a slow field, to cop the event.

The team has rounded into shape quickly this year, and we expect big things from them. We give them our best wishes for success, knowing that they are determined to bring everything home this year.

SCHEDULE

April 28—Penn Relays.
May 5—Inter-Class Meet.
May 12—Quadrangular Meet.

May 19—District 3 P. I. A. A. Meet.
May 25—Dual Meet with Allentown.
May 30—Reading High Memorial Day Meet.

WITH the reorganization of the four-team Eastern Pennsylvania Scholastic League, Reading High's 1934 baseball nine will attempt to capture first place laurels for the third consecutive time, and gain possession of the silver trophy, presented to the team achieving that feat. Because of the withdrawal of Easton from competition last season, the league failed to function after the Red Knights had topped the circuit in both '31 and '32.

Despite the loss of eleven varsity men, Coach Dietrich will, to all appearances, have another classy nine to wear the Red and Black colors on the diamond. A wealth of material from the American Legion and Junior High circuits has replaced lost men. Bad weather forced the candidates to wait until nearly April to display their wares, giving the Coach little time to select a team to face Shillington in the opening game which was rained out on two successive occasions. In their opening contest, the Red Knights calsomined their county rivals, by the score of 11-0.

A formidable 14-game schedule has been arranged by Faculty Manager Emanuel Jacobs. Besides two league contests each with Allentown, Bethlehem, and Easton, one of which will be played at home and the other away, relations have been resumed with Lebanon and Pottstown, both of whom will be played on a home-and-home basis. As usual, there will be two tilts with Shillington and one each with the Faculty and Hill School.

READING HIGH had a fine aggregation of tankmen this year, but the breaking of records and ties by the opponents proved to be too much for the boys to beat. Mr. Jacobs and Mr. Davis organized a fast team of well trained swimmers who could actually be termed artists in their line. The boys, however, were helpless when confronted by repeated bad breaks and the crack squads of other schools. Three times the opponents broke records in defeating Reading; and twice the Red Knights had tied the score only to be nosed out in the final event by inches. Swimming is a sport in which a split second's difference can easily spell defeat.

Because Edward Davis is the only swimmer to be lost through graduation, Coaches Davis and Jacobs are already planning for a much more successful season next year. Let us wish them all the luck in the world and give them our whole-hearted support.

OF the three interscholastic meets in which our cross-country team competed last fall, two were won. This year, as in the past few years, the cross-country team was handicapped by inadequate financial backing. All of Reading High hopes that prosperity may soon return so that our hill-and-dale athletes can do their best in the future.

John Harris High, by defeating our team 43 to 27, proved the only stumbling-block of the season. The team soon returned to form by inflicting two successive defeats of 47 to 24 and 33 to 22 on Birdsboro High School. In closing the season, our boys scored a great victory by carrying off the team honors of the annual cross-country run, sponsored by the Department of Recreation.

In a post season, inter-class meet, the 11A Class was distinguished by having two of their runners, John Trout and Stewart Rhodes, placed in first and second places, respectively. Walter Fies of the 12B Class captured third place, while Earl Hiester and Joseph La Re of the 10B Class surprised everyone by taking the fourth and fifth places.

This year the team was built about a nucleus of experienced runners who were largely responsible for the team's fine spirit and consistent winning. John Trout proved to be a brilliant captain for the team, as well as the season's star three-miler. Backed by the experience, pluck, and stamina of Walter Fies, Clarence Hart, William Hindenach, and Forest Bucher, members of the present 12A Class, the Red Knight trotters fought through to the very last lap.

Mr. Jacobs, the team's successful mentor, predicts a great coming season for the team. We foresee the same thing; and after congratulating last year's team upon their fine record, we hope that the coming squad will be able to break more tapes than the '33 team.

SOCCKER was introduced into Red and Black sports' annals in a very impressive manner. Reading High's first soccer eleven finished its initial season in interscholastic competition with a record of six victories and one defeat.

The Red Knights suffered their lone setback in the first encounter of the season, bowing to a veteran Wyomissing squad, 3-0. After that defeat, the Red and Black dribblers proceeded to win the remaining six contests on their schedule. They scored double triumphs over both Mt. Penn and Muhlenberg, a single victory over Lancaster, and avenged their early season defeat by the Wyomissing "Sunsets."

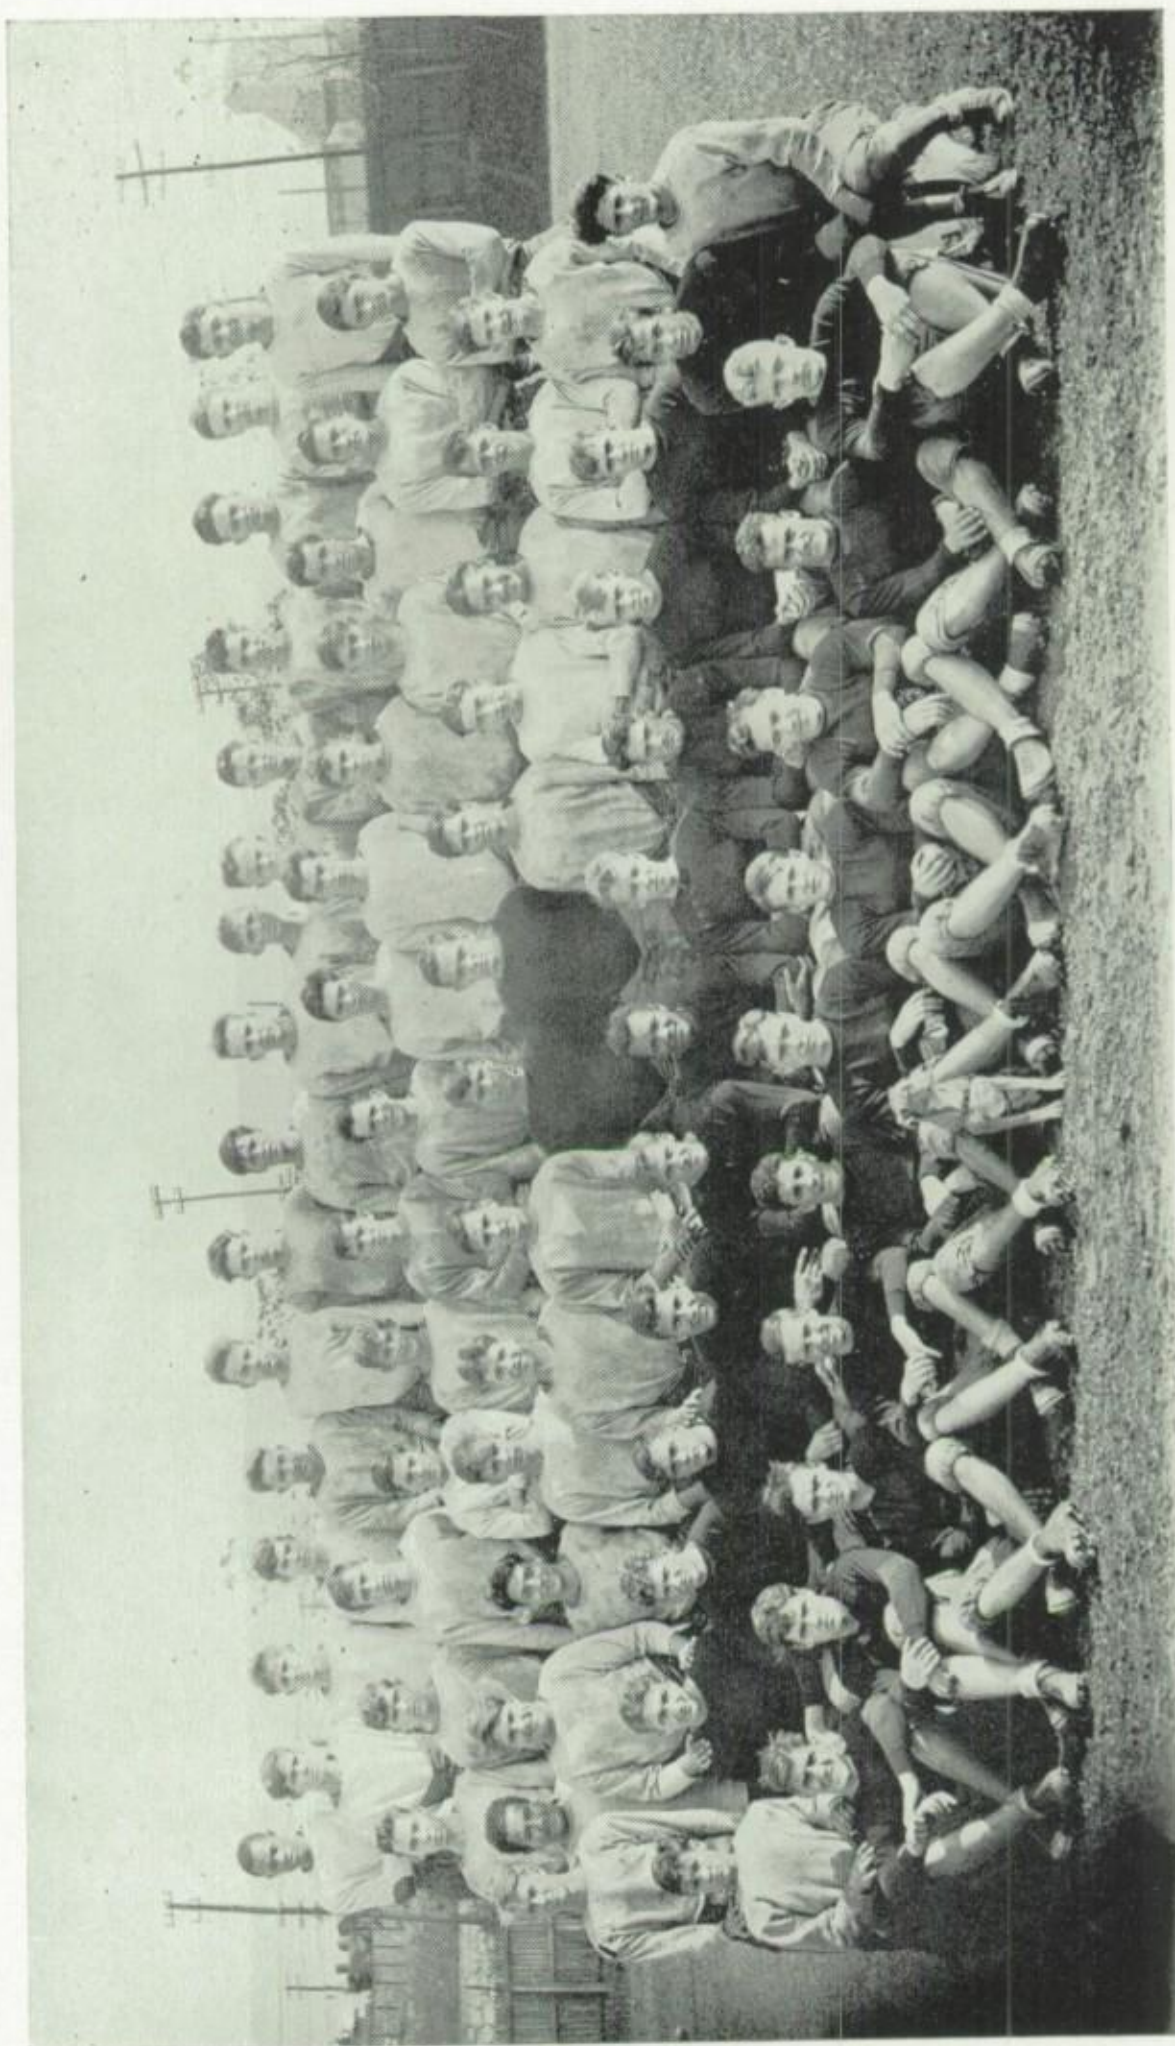

Captain "Scotchy" Kennedy led his mates in scoring, tallying nine goals. Frank Ferragame was next high scorer with six goals; then followed Ulrich and Dietrich with three, Hain with two, and Moyer, Fiorini, and Williams with one each.

Although soccer is a new sport here at high school, most of the boys are thoroughly familiar with it, due to the fact that it is a part of the junior high athletic program. The '33 squad was composed of many lower classmen who are eligible for varsity competition this fall, furnishing ample indications of a formidable squad next season.

Coach Dietrich and his athletes deserve our sincere congratulations for the courage and initiative they have displayed in undertaking this new soccer enterprise. Let's get behind them and make soccer as successful a sport as football, basketball, or baseball.

READING High's grid warriors tucked their cleats and moleskins away after completing one of the most successful seasons a Red and Black eleven has enjoyed in several years. Stanley Schweimler's second year as head coach was even more successful than his first. His latest edition of gridmen won six games, lost three, and tied one, a record which surpasses that of the immediately preceding year.

The Red and Black eleven started the season with a procession of touchdowns. Their 63-0 victory over Shillington, in the opening encounter of the season, was the worst defeat a Reading High team has administered to any of its opponents since 1914. Then, they continued their scoring spree against Stevens Trade by tallying 44 points which gave them a total of 107 points in two games! With Nicky Pasquale and Charley Calabria running wild, it looked as though the Red Knights had developed a well-functioning offense, something that Reading High's grid machines have seriously lacked in previous years.

A 12-0 setback by a crack Allentown eleven put a halt to the Red Knights' brief scoring spree. The Canaries' heavy forward wall refused to be scored upon, while their fleet back-field pushed over two swiftly-executed touchdowns. The Red Knights' 13-7 victory over Lancaster was one of the high-lights of the football campaign. A last-minute touchdown by Dick Chubb gave the Red and Black warriors victory in one of the most thrilling games of the year.

Following a scoreless deadlock with Pottsville, the Red Knights encountered a powerful James Coughlin team from Wilkes-Barre and suffered their worst defeat of the season, 21-0. With Nicky Pasquale and Tommy Dallesandro scoring on long jaunts, the Red Knights coasted through a Lebanon eleven, 12-0.

Thomas Patton was routed, 19-0, before the Red Knights encountered their old Easton jinx. Although prospects for the first Red and Black victory over Easton in many a year were exceptionally bright, the Red Rovers from hoodoo town triumphed by an 18-6 score. In the final game of the season the Red Knights defeated a light but scrappy Phoenixville eleven, 14-6. Thirteen Red Knights played their final football game for their Alma Mater. They were Captain Patterson, Pasquale, Troup, Angstadt, Chubb, Shaffer, Kreska, Peifer, Borell, Lesko, Britton, V. Westgate, and Eshenaur.

Thus, another fighting Reading High eleven has completed an auspicious football campaign. An eager, scrappy band of youths, piloted by the same type of coach, has gained an additional rung in the football ladder for Reading High. Here's hoping their success continues, and they emerge from their '34 schedule, the stiffest grid card ever attempted by the Red Knights, with a better record than any other Red and Black eleven has ever enjoyed!

Gain and Maintain **HEALTH** with **MILK**

It is easily possible to excel in studies or in athletic activities when you have HEALTH. Sparkling eyes, glowing cheeks, sound teeth, a strong body and an alert mind are just a few of the benefits of drinking milk REGULARLY.

The habit of drinking milk every day should not be discontinued when childhood ends. Its importance to youth cannot be over-estimated. The growing body needs the protection of milk—for building—for repairing. That's why it has been so aptly described as "Nature's most nearly perfect food."

Tests conducted among students the country over have always shown that the milk-drinking student is, mentally and physically, a superior type.

In addition to possessing all the natural advantages of milk, St. Lawrence MILK is ELECTROPURE, a process which represents the newest development of modern science, adapted to further raise its already high standards of quality—to bring to its thousands of patrons the finest milk obtainable.
